MORE SPACE. MORE FEATURES.

- Dual-zone automatic air conditioning* with independent driver and front passenger temperature control, so you stay cool.
- DAB digital radio* and Bluetooth phone integration mean you're never out of touch.
- Rear-view camera and sensors ensure that parking is not a problem*.

*SZ-T and SZ5 models only

LIKE WIDE OPEN SPACES? JUST TAKE A LOOK AROUND.

Let's begin at the end. The boot has bags of shopping bag space, even when the rear seats are upright. But it's versatile too, because those seats fold in a practical 60:40 split to accommodate anything and everything.

In the front and back it's the same story, with generous legroom for five adults. And the inside feels even bigger thanks to the car's double-sliding panoramic sunroof*.

BOLD PERFORMANCE

The SX4 S-Cross packs a punch thanks to its highly fuel-efficient 1.6 diesel and petrol engines.

- Great fuel economy of up to 68.9mpg*
- Low CO₂ emissions of just 108g/km* means road tax from £20
- ALLGRIP 4-wheel Drive[†] system optimises performance and economy

What's more, there are 2WD and ALLGRIP models available with Continuously Variable Transmission (CVT), offering the convenience of an automatic with the fuel economy of a manual. And with our new TCSS^{††} transmission, you get great performance thanks to extremely quick gear changes whether you choose to drive it as an automatic or as a manual.

A GRIPPING RIDE

WHATEVER THE ROAD BRINGS

The SX4 S-Cross rises to every challenge thanks to the optional ALLGRIP 4-wheel Drive system* that lets you adapt to varying conditions at the turn of a dial.

- Auto mode prioritises fuel efficiency in everyday conditions, switching to 4WD if it detects wheel-spin.
- Sport mode will adjust torque and acceleration to make the car more responsive along country lanes.
- Snow mode is your answer to powder, ice, rain and mud – giving crucial traction and stability if the conditions demand it.
- Lock mode engages permanent 4WD if you get stuck in deep snow or mud.

*SZ-T and SZ5 ALLGRIP models only

SAFETY FIRST

AND SECOND AND THIRD AND FOURTH.

We know that safety is one of the most important things you look for in a car. That's why the SX4 S-Cross offers total reassurance to you and your passengers.

- 5-star Euro NCAP safety rating
- Seven separate airbags
- Tyre Pressure Monitoring System warns you if your tyres are deflating
- Cruise Control Speed Limiter
- Hill hold* stops you rolling backwards on a hill start

*Not available on the 1.6 SZ3 petrol manual 17
