Important information

- › 12, 24, 36 or 48 months cover durations available
- › If the alloy can't be repaired, we'll provide a contribution of up to £150 (inc. VAT) towards a replacement
- › If a lathe skim is required to complete the repair (applicable to Diamond Cut Alloys) we'll provide a contribution of up to £150 (inc. VAT) towards the cost

Please note – if required, the cost towards either a replacement alloy or lathe skim repair will need to be paid by yourself in advance. We'll then reimburse the cost up to the specified limit upon providing us with an invoice or receipt as proof for work undertaken.

How to claim

You must contact the claims administrator to register your claim within 30 days of the damage occurring. This can be done in one of the following ways:

Visit assurant.mypremia.co.uk

Telephone Premia Solutions on 01926 622 660
(Monday – Friday, 9:00am – 5:00pm)

Write to Premia Solutions Limited, 3 Corunna Court,
Corunna Road, Warwick, Warwickshire CV34 5HQ.

In order to make a claim towards the cost of a lathe skim or replacement alloy, a copy of a valid receipt showing payment has been made is required.

Where your alloy wheel has suffered malicious damage, please obtain a crime reference number from the police and provide this at time of claim.

Cancelling your cover

If you wish to cancel within 30 days of your policy start date you'll receive a full refund of any premium paid. A £30 cancellation fee will be charged after 30 days of the start date on your policy schedule or receipt of the terms and conditions (whichever is later) and, provided there are no pending or successful claims on the policy, you will be entitled to a pro-rata refund.
